

FIX Aney

The Authentic Taste Of Beer Without The Alcohol

FIX Aney is keeping pace with current trends in offering this unique alcohol-free brew with only 14 kcal per 100ml, while at the same time retaining the authentic taste of beer, thanks to the unrivalled technical expertise of its brewers.

With its balanced bitterness, refined flowery bouquet and prevailing malt aroma, it leaves a satisfying and long-lasting aftertaste.

FIX Aney presents you with a delightful new option on occasions when you want to enjoy the taste of your favourite drink without the alcohol! It is a refreshing choice for your work or fun breaks. whether there's just a few of you or a big party. Suitable for snacks, salads or main meals, indoors or outdoors and at any time of day.

In the Healthy Diet Awards 2021, FIX Aney received a golden award for the best product in the Free From, Low or No Beverage Products category.

Our favorite beer without alcohol really stood out with its authentic, full flavor, winning fans and popularity without...precedent!
