Carton: 3x1,5lt.

**Tasting notes:**

Deep purple colour. Charming, multidimensional aromatic profile where aromas of red currants, blackcurrants and plums are combined with hints of cedar wood and tobacco. The presence of wood is intense but it is counterbalanced completely by the dense fruity character. In the mouth it presents ideal balance as the robust tannins are 'dressed up' with fruit and warmth lines with elegance and class. With firm tannins and a long persistent fir.....

**Food pairing – Serving temperature:**

*Enjoy it with fine food. The roast lamb is undoubtedly its ideal partner. Try it with roast red meat, game and semi-hard cheeses. Best served at 18°C.*

**INTERNATIONAL AWARDS:** *Wine Advocate, Robert Parker Jr. – December 2015, # 222: 89 points*
