Winemaking

The harvest was performed by hand seeking to obtain a proper fruit maturity. Skin contact was carried out at 10°C for an average of 24 hours, while 7% of the grapes had fermentation maceration on skins. Fermented in a stainless-steel tank at 17-18°C.

Tasting Note

Bright platinum colour. Aromas of citrus and white-fleshed fruit with herbal and chalky notes. The mouthfeel is rich and crispy with a salty freshness and a mineral aftertaste.

Food Matches

Pork with celery, fish and shellfish. Serve at 10 °C -12°C.
