

strofilia

ESTATE WINERY SINCE 1980

## Strofilia White 2022

Dry White Wine - Protected Geographical Indication Peloponnese

**Varieties:** Malagousia 10%, Sauvignon Blanc 30%, Moschofilero 60%  
**Region:** Asprokayos (Malagousia, Sauvignon Blanc): Owned Vineyards

at an altitude of 800 m, on the Stymfalia plateau, with LYRA formation system, in deep, clayey, alkaline soils, with an amount of calcium carbonate. The climate of the region is characterized by a cold winter, with a lot of rain and snow, a cool spring and a dry summer, with high temperatures during the day and cool evenings.

Mantineia (Moschofilero): Vineyards in mountainous Arcadia with a low yield per hectare. The climate of the region is characterized by a lot of rain and snow in the winter, frequent showers and storms in the summer with relatively low temperatures.

**Harvest:** Mid-September to late October.

**Vinification:** Vinification takes place separately for each variety. After the careful sorting of the grapes both in the vineyard and in the winery, a few hours of pre-fermentation cryo-extraction and light pressing of the grapes are carried out to receive only the first juice. The temperature of the fermentation ranges from 16° - 18° C and ends after a period of about 15 days.

**Characteristics:** Light greenish yellow color. Fresh and lively aromatic character with predominant aromas of citrus fruits, rose, peach and exotic fruits. It has a pleasant acidity, fat and full of flavor, with a soft aftertaste of herbs.

**Serving Suggestions:** An excellent choice for seafood and grilled fish, while it compliments salads and pasta. It is also an amazing choice when combined with many traditional dishes of the Greek cuisine.

**Analysis:** **Alcohol: 12,0 % Vol**  
**Total Acidity: 5,4 gr/lit**  
**pH: 3,2**  
**Residual Sugar: <2 gr/lit**
