

**ΤΣΙΛΙΛΗΣ Κ. Α.Ε.
WINERY DISTILLERY**

General Description: Dry Rosé Wine

Classification: Sparkling Wine

Varieties: Xinomavro 70% Limniona 30%

Terroir: The presence of shale & limestone, along with the continental climate, leads to the production of grapes with high aromatic & phenolic ripening.

Harvest: 2nd week of September

Vinification: Early harvest of Limniona & Xinomavro to preserve the aromas in the still wine. Second fermentation in a closed tank (cuvée close) is applied for the final product.

Tasting Notes: Light rosé color & persistent bubbles with a distinctive exotic fruit character. In the mouth there is a complex aromatic character & refreshing acidity, which is perfectly balanced by subtle sweetness & a long fruity aftertaste.

Aging Potential: To be consumed in 1-2 years.

Producer: TSILILIS K.S.A. is a Winery-Distillery founded in 1989 & situated at Meteora, Trikala in Thessaly (Central Greece), possessing a 20 hectares organically cultivated vineyard around Meteora Rocks & the prehistoric Cave of Theopetra, in the Meteora PGI appellation. Among our products there are still & sparkling wines as well as grape distillates.
