

## Tsipouro Tirnavou Katsaros Family (with anise)

**Classification:** Tsipouro with Geographical Indication Tirnavos

**Country of origin:** Greece

**Grape variety:** 100% Muscat of Hamburg

**Alcohol content:** 42%

### **Distillation and aging process:**

By selecting the best Muscat grapes which experts define as one of the oldest varieties, we create unique and authentic spirit with rich flavor and natural taste. This quality is achieved by using seeds and herbs harvested with great care.

The distillation is filled with the fiery freshness of anise and become one with the rich flavor of Muscat grape variety.

For the production of 1 liter tsipouro 5 kilograms of grapes are used. This ensures the quality of the product. The drink is produced only in Greece, as the European Union recognizes this right through the ,trademarks of origin programme.

After distillation, the heart of the distillate is diluted with purified water then filtered and it ages in stainless steel tanks.

**Producer:** **KATSAROS DISTILLERY** keeps the brunt of a heavy history of 160 years. It is a four generations family run located in Tirnavos. **It is the oldest distillery of ouzo in Greece** and the world, since there was born Ouzo, this national product. Here we continue to distill as then, since 1856. With soul and vision, we put the handcrafted copper stills in modern facilities, here in Tirnavos and made our production possible. Since 1930, our spirits walk all around the world and we make sure they go even further. Our spirits, which won medals and quality distinctions in exhibitions worldwide from 1889 till today, shine like bright stars justifying our labors. During this long journey we travel along with our Ouzo, Tsipouro, Liqueur, Ouzo Triple Distilled and Aged Tsipouro trying not to be just winners, but to dominate.
