

Tyrnavos Syrah

PGI Tyrnavos

The aristocratic and well-travelled red grape variety of Syrah has joined forces with the temperate climate of the Tyrnavos vineyards to offer an exceptionally aromatic expression of this popular wine with the impressive dark purple colour. This is a varietal red wine (PGI Tyrnavos) that stands out for its exuberant aromatic composition of ripe red fruit, spicy aftertaste and subtle tannins.

Enjoyed with red meats & cheese platters.
